### Structure

- |   |                     |
|---|---------------------|
|  | - pet               |
|  | - yellow tape x 2   |
|  | - release paper x 2 |

### Technical Data

No.	Test Content	Test Value	备注
1	Peeling-off force (N/25mm) by angle of 180 degree	$\geq 15$	
2	Retaining (H/25*25mm)	$> 100$	
3	Tensile strength at break (KN/M)	$> 8$	Transparent PET area

### Storage Condition

Temperature:	20°C-30°C
Relative Humidity(RH):	45%-65%
Shelf-life:	One year
